PROGRAMMES UNDERTAKEN

1. SPECIAL SCHOOL FOR THE PERSONS WITH INTELLECTUAL DISABILITIES

----- SUPPORTED BY -----

**Deptt. of Social Justice Disabled Welfare,
Chhindwara, Madhya Pradesh**

No. of Beneficiaries - 20 Residential
- 50 Non-residential

The Organisation AADHAR FOUNDATION has established a Special School for the Persons / Children with Intellectual & Developmental Disabilities from 0 to 18 years.

The main objective of this programme is to provide Special Education and rehabilitation services to the Children with Intellectual & Developmental Disabilities of Age Group 6 to 18 years by providing day care and residential facilities.

MAIN ACTIVITIES OF THIS PROGRAMME

➤ EARLY IDENTIFICATION AND INTERVENTION

Early intervention therapy mainly focuses on the children between the age group of 0-6 years. It is a process of detecting, assessing, diagnosing and treating the children with developmental delay during the early phase. These services focus on prevention, remediation and treatment to foster all round development provided by a multi-disciplinary team of experts.

➤ SPECIAL EDUCATION & PRE-SCHOOLING

It helps manage the specific needs of children with intellectual challenges. **Special Schools** is school specifically designed, staffed and resourced to provide appropriate education for children with special needs.

➤ **OCCUPATIONAL THERAPY AND TRAINING FOR DAILY LIVING SKILLS**

IT helps develop and maintain skills for daily living. It is long-term and focuses on dressing, toileting, washing, brushing, feeding, play, other personal activities,.....

➤ **PHYSIOTHERAPY** or physical therapy focuses on mobility, physical activity and overall health and well-being.

➤ **COUNSELLING**

It helps parents, guardian, caregivers and children with challenges talk about problems and feelings in a confidential setting.

➤ **AUDITORY THERAPY AND SPEECH THERAPY**

It helps children with delay development having speech and language problems to speak more frequently and clearly.

➤ **BEHAVIOUR MODIFICATION TRAINING**

It helps the children to modify their behavior problems as ADHD – attention deficit hyper activity disorder, hurting / biting self or others, abnormal behavior, fear, irritation, disobedience etc

AAADHAR SAMRATH-CUM-GHARAUNDA CENTRE

For the Children with Intellectual & Developmental Disabilities of all age groups

SAMARTH – Respite Home for Orphans or Abandoned and Family in Crisis
GHARAUNDA - Group Home for Adults

No. of Beneficiaries - 28 Residential

MAIN OBJECTIVES OF THIS PROGRAMME

- ✓ The main objective of Gharaunda is to provide an assured home and minimum quality of care services throughout the life of the PwDs so that PwDs can live their lives with honour and dignity.
- ✓ The main aim of Samarth is to give opportunities for family Members to get respite time in order to fulfill other responsibilities.
- ✓ The main objective of this program is the overall development (Cognitive, Social, Language, Physical, Psychological....) of the child and to stop disability, reduce population of differently abled and percentage of disability in early age.
- **SPECIAL EDUCATION** It helps manage the specific needs of children with intellectual challenges. **Special Schools** is school specifically designed, staffed and resourced to provide appropriate education for children with special needs.

➤ **OCCUPATIONAL THERAPY**

It helps develop and maintain skills for daily living. It is long-term and focuses on dressing, washing, toileting, feeding, grooming, play, other personal activities etc.

- **PHYSIOTHERAPY** or **PHYSICAL THERAPY** focuses on mobility, physical activity, functioning of body parts and overall health and well-being.

- **SPEECH THERAPY** helps people with speech and language problems to speak more frequently and clearly.
- **PRE-VOCATIONAL THERAPY AND TRAINING**
It helps PwDs to know and vocational activities and prepare for employment.

- **VOCATIONAL THERAPY** helps individuals gain productive employment by developing skills and identifying appropriate jobs.

- **COUNSELLING** helps parents, guardians, caregivers and PwDs talk about problems and feelings in a confidential setting. It also help to solve the problems of PwDs and rehabilitate them.
- **PSYCHOLOGY** is the study of behavior and mind. It embraces all aspects of conscious and unconscious experience and uses talk therapy as treatment.
- **BEHAVIOUR THERAPY / HAVIOUR MODIFICATION TRAINING**
It helps the children to modify their behavior by solving their problems as ADHD – attention deficit hyper activity disorder, hurting / biting self or others, abnormal behavior, fear, irritation, disobedience etc.
